Dear 100 Women Who Care Member,

Thank YOU for your \$100 donation to the Work Skills Foundation! We continue to be overwhelmed by the generosity of the women in this group and are grateful to have been selected as September's winning organization.

The support of individuals and businesses in our community who recognize the importance of Work Skills Corporation programs is vital to our existence, allowing us to change the lives of people with disabilities.

Your donation to us through 100 Women Who Care was used to purchase sublimation equipment for our Artisan Corner Program. Very soon we will be able to reproduce participant artwork on mugs, clothing, mouse pads and more. The BEST part is that this will provide new training opportunities AND additional income to our artisans! We truly appreciate you believing in us.

Warmly,
