Dear Supporter,

Thank you for your \$100 donation to the Humane Society of Livingston County (HSLC) through 100 Women Who Care! We are very grateful for the support from individuals who are part of this important group.

As a 501(c)3 organization, we rely solely on donations from individuals and businesses throughout our community. We receive no tax or municipal funding to operate and raise all of our own money. The HSLC is a local independent organization and we are not affiliated with any other humane society or animal organization.

The HSLC is continually striving to make the homeless pets in our care more comfortable and less stressed while they await their permanent homes. We have recently doubled the size of some of our cages and have added some more cat exercise rooms. In 2015 we will be expanding our outdoor dog play area to include an agility course and will be adding an additional space for volunteers and adopters to interact with the pets. Your contribution will enable us to make these improvements and help so many more pets.

Thank you again for your donation and we look forward to talking with you at your next meeting.

Sincerely,

Barbara Benford
Executive Director
