

December 01, 2015

Dear Supporter,

Thank you so very much for your generous donation of \$100 to The Torch through the 100 Women Who Care! We are so thankful to all of you who are part of this wonderful organization.

We are a 501(c)3 charitable organization, and all our support comes from generous donors like you. We do not receive any federal or state money to keep the Torch going. One hundred percent of all donations are put directly into the Torch, and 180, a subsidiary 501(c)3 charitable organization of the Torch.

As we discussed at the September meeting, your donation will be used to help us move forward with our Torch 180 initiative. We will be utilizing your contribution to develop a commercial kitchen/training facility to train people who have disabilities to work in the food service industry. We have met many such individuals as we have been out in local neighborhoods cooking and serving free hot meals from our food truck. We hope to give them further support through 180 as they seek to become more employable in this increasingly competitive job market.

We will be partnering with the Michigan Career and Technical Institute, Livingston Educational Services Agency, and Michigan Rehabilitation Services to provide this opportunity to people who need it.

We are excited about the potential of this endeavor and would like to thank you again for so generously supporting us. It truly is a community effort.

Thank you,

Rhonda Callanan
