

STIGGY'S DOGS

RESCUING ONE TO RESCUE ANOTHER

October 19th, 2018

Dear 100 Women Who Care About Livingston County Member,

Your 2018 donation made a strong impact. Your support kept us 'On Point' rescuing shelter dogs and pairing them with combat Veterans diagnosed with Invisible Wounds to complete service dog training. On behalf of everyone at Stiggy's Dogs, thank you for your generosity in providing a second chance for every dog and new hope for the combat Veteran they will share their life with.

Very Respectfully,

Christine Myran
