With thanks and appreciation, I write to acknowledge your recent gift for the benefit of the Livingston County Weekend Survival Kits program. The act of giving is an act of trust. Your generosity will strengthen the Weekend Survival Kits in the weeks and months ahead and we pledge to use it wisely. Your generous gift will help provide 116 children with enough food on the weekends for an entire school year.

It is simply amazing how gifts add up and allow us to do so much good for the youth we serve. Your philanthropic investment will touch every aspect of our work and help ensure the continuation of the Weekend Survival Kits program. We currently serve nearly 4,000 kids in over 70 schools across 5 counties with schools being added every month.

Again, I thank you for keeping our organization high among your philanthropic priorities. We anticipate that it will be a challenge doing extraordinary work at the level you and I know is needed. Meeting that challenge requires the collective support of everyone, every year at every level.

Please stay in touch with our efforts by following us on Facebook ([www.facebook.com/weekendsurvivalkits](http://www.facebook.com/weekendsurvivalkits)) or by visiting our website:

Thank you, once again, for your kind commitment. For your tax purposes our federal tax number is 45-4444119.

In Appreciation,
