To the wonderful women of 100 Women Who Care,

THANK YOU for your very generous \$100 donation in support of our first sober living home for women in Livingston County. We are SO GRATEFUL for each and every one of you.

We were excited to achieve our mission of purchasing a house in Howell in September. Your cash donations, however, made it a “home” and allowed us to completely furnish it and make it a welcome and comfortable place for women to continue their journey of recovery.

For those that were able to view our house in person or online, we hope you felt pride in seeing what a beautiful home we were able to provide -- thanks to you.

Additionally, we will use any remaining funds to purchase a jail dog, “Reineck”, to be used in service by the Livingston County Sheriff department.

Sincerely,
The Board of Directors
