

Livingston Family Center

August 16, 2021

Dear Friend,

On behalf of The Connection Youth Services, I would like to thank you for your generous donation to our program. We are truly appreciative for the support we received from the 100 Women Who Care About Livingston County.

As an agency, Livingston Family Center (LFC) strives to build positive relationships between youth, their families, and their community by providing vital services to ensure youth are safe, healthy, and have a permanent place to live. Last year, LFC provided over **3,200** hours of out-patient and crisis intervention therapy services to children, adolescents, families, and adults in our community, emergency, safe housing to **32 homeless youth**, prevention services to **74 youth** who were unstably housed or at-risk of homelessness, and supervised visitation and safe exchanges to **22 families** affected by domestic violence.

Thank you for your support and for caring about our youth.

Sincerely,

Angela Parth, LMSW
Executive Director

Thank you!
