EDUCATION FOUNDATION

100 Women of Livingston County

Good evening! On behalf of our board of directors I want to thank all of you for your generosity by donating \$100.00 to the Howell Education Foundation. Our students and staff are blessed with many people such as yourself that support Howell Education Foundation and the work that we do to provide unique learning opportunities to our students. Your donation has directly impacted 1000's of our students and made a difference not only in their lives but the families that surround these young students. We have put your donations to work in our CTE program, scholarship program and many educational programs within our schools. Again, without your generosity we would not be able to have such a positive outcome during these challenging times.

Thank you,

**Don Cortez &
