100 Women Who Care
Livingston County, MI

Dear 100 Women Who Care,

On behalf of our entire Howell Nature Center team, thank you for your generous donation towards our mission. We are so appreciative to be considered, nominated, and awarded by the amazing 100 Women Who Care in Livingston County.

Your financial support allows us to continue our important work by offering a premier wildlife rehabilitation clinic; a Michigan-native wildlife teaching zoo - the Wild Wonders Wildlife Park; and an opportunity to partner with YOU in caring for our beautiful WILD neighbors who provide so much beauty to our world. Each year our Wildlife Rehabilitation Clinic helps thousands of injured and orphaned wildlife, always with the goal of a healthy release back into the wild. Your donation is key to sustaining our staff and clinic resources, including vet care, food, habitat and pre-release facilities, and rehabilitation supplies.

Big or small, each life matters to us, and with approximately 70% of these patients being harmed due to human-wildlife conflict, we strive to teach people to co-exist with all wildlife. With that in mind, during Summer 2022 we helped more than 4,200 campers foster a love for nature and wildlife, teaching them to be faithful caretakers of one another and the world around us. *From the bottom of our hearts, thank you for your support!*

Together, we are truly making a difference!

Sincerely,

Tina Bruce
Interim CEO

*No goods/services were given for the donation – Tax ID: 4704324628
