

June 2023

On behalf of the entire board and staff of Blue Star Service Dogs, I am writing this letter to express our deepest gratitude for the generous donation we received from 100 Women Who Care of Livingston County. Your contribution has made a significant impact on our organization and the veterans we serve.

Thanks to your support, we were able to host a memorable graduation ceremony for five teams who successfully completed our service dog training program. It was a heartwarming event filled with joy and pride as these individuals and their canine partners celebrated their accomplishments. Your generosity played a vital role in making this graduation possible, and we are immensely grateful for that.

Furthermore, we are thrilled to share that we have accepted six new veterans into our program for pairing with their very own service dogs. These dogs will be specially trained to meet the unique needs and challenges of each veteran, providing them with the companionship and assistance necessary to navigate their daily lives with increased independence and confidence. Your donation has directly contributed to transforming the lives of these deserving veterans, and we cannot thank you enough for your invaluable support.

At Blue Star Service Dogs, we believe in the power of the human-canine bond and its ability to bring comfort, healing, and stability to our veterans. Your contribution aligns perfectly with our mission, and it serves as a testament to the compassion and generosity of 100 Women Who Care of Livingston County.

Once again, we express our deepest appreciation for your commitment to our cause. Your donation has made a tangible difference in the lives of our veterans, and we are incredibly grateful for your belief in our organization. We would be honored to keep you updated on our progress and the impact of your contribution in the future.

Thank you for being an invaluable partner in our mission to provide service dogs to veterans in need. We are privileged to have your support and look forward to continuing our work together.

With heartfelt gratitude,

Christine Myran, OTR  
Executive Director  
Blue Star Service Dogs
